Cafeteria Point of Sale Debit System

Starting September 5, 2019

- Branchburg Township uses a computerized point of sale system in the cafeteria. Parents can make payments online or send in payments to the cafeteria using the coupon below.
- This system allows for account purchases of meals and snacks.
- Parents may pay in advance for purchases.
- All students will be issued a Personal Identification Number (PIN) which corresponds to their food service account and which should be kept confidential.
- Students still have the option to pay cash on a daily basis.
- Any remaining funds at the end of the school year are available for use in September or may be transferred to a sibling's account in the Branchburg Township School District.
- End of year funds for those 8th graders with no siblings in the district will be considered on a case by case basis with a minimum refund amount of \$5.00 and a maximum amount of \$15.00 and must be requested no later than June 30th of that school year.
